gravating, in the view of our presen troubles, as the notorious fact that the as is usual between man and man, would alleviate and correct all our national dis-

The lack of this is the cause of every ion, arrors in judicial interpretation.

Bad as the reconstruction plan is, if it was administered in a feeling of confidence and affection towards the people of New Orleans do owe him a deep delat of gratitude, but not for anything else.

Popular Travel, Market-St. Lines and wight found it is enforced, it would be codurable and wight found to the codurable and the codurable and wight found to the codurable and the coduction of the endurable and might found a happy government. Bad as the carpet-baggars title to power is, if they were gentlemen ed with a sympathetic regard for the the profoundest regret.

All rests on the slender possibility wishes and prejudices of the people, the respec' among the people, the nation as it is to feel one's self in the power of arbitrary arrest, with a denied held ment, if it was done with a show of re the people could trust and live.

All errors, every error, the paper can governments, the bureau, all of them ar tainted in origin or operation with distrust, hatred, and work evil, becau they are simed to do evil. The whole machinery of government is administer ed in the interest of one section agains the other. Aspirants ask office on the forms are made that purposely dist vantage of the South. Colfax stood b fore an intelligent audience and de traitors, swindlers, villains and null-night assassins, without a blush. He avowed his intense hatred of the South. He asked for votes because he does li the South. He urged his hearers to sh in his hatr d. He endeavored to pr the South deserves to be hated and horred. He said, with a pharisa Idasphemy that invites and will me retribution, that he feels, in laying ! head upon the pillow, that he has d no man injury; that he is a good mar and yet, with the most shocking and ir tense virulence his lips and throat has boiled over with a tirrent of the mowicked and atrocious venomofhis heart All this vocabulary of hatred he consid ers pure and sinless. In this cursing and slandering half of his own country as the people thereof as "murderous vi lains," he claims to have committed ; sin against God and man. It is religio to hate and erucify the South; it is p litical wisdom to sur up the maligns powerful section against the weaker.

This policy is exemplified in C lfax, i the nomination of Grant, in the wl course and career of Radicalism. The whole system and policy on which they the Radicals) propose to govern is THE HAT-WEAKER.

Analyze it, examine it, question the next Radical you meet, read their plut form, their speeches, see if that is not the whole system, the very key to that po y on which this nation is to be govern ed for the next four years. The platfor is plain, direct. It places the basis of povernment on hatred to the South Question your Radical friend, the fire expression and all of it is-Donn rebels. Their speeches, platform, docments, finances, everything is that sh

This is the whole sum and substan of the whole Radical platform. There 1 of one govern of common hou anity ling or natural kindness, in them meir policy. Brutal, ruel, hateful, th succeeded by engineering into one so andy the whole bitter, revengeful, p sionate feeling of one section against the other. The South is to be hated and accarsed, and ruled under a system I stred and intolerant cruelty. The say age with his victim at the stake is tangel of mercy to such men and such g licy. Their whole vocabulary of states licy. Their whole vocabulary of states.

I makip, political economy, knows but tareet but lefters on and Market. of of the

e sentiment, the key to all conduct

and all policy-Dama the rebels. A LE Madison, Wheeling and other Ales, at L. Weever a. No. 2Fourth afterd.

A LL RINDs of seminary the flower of t No Government so influenced and so Though every acre teemed with vegetable gold; though every rock were gold and every rivulet ran diamonds; though

however rash, can impede or defeat our certain progress to riches, honor, 1 rospority and happiness. Men of humanity and happiness. Men of humanity and editivation, actuated not by distrust but by love for their fellow-creatures, could administer even Radical measures, with all its miserable crimes and follies, so as to win the respect and promote the prosperity of the Southern peade and of the nation. But the Radical harrty, with D. 1.123 Broadway, New York. jos harvly e nation. But the Radical party, with D., 1,123 Broadway, New York. pelicy of wrath, misconstruction and

It is a pity the Courier with its boasted ing ic gaire are is ponsibility for going into the late re the gentleman whose name at the ad of the column stands sponsor for all twaddle we see in the Courier. It would be hard to get more blumle o the same space that represents the ple of New Orleans in a state of the same space that represents the ple of New Orleans in a state of the orleans the same space of New Orleans in a state of the orleans of the orl ople of New Orleans in a state of riotdisorder. It is not and never wa ue. The white people of New Orleans we been singularly quiet, and when a

ember of a Democratic club was shown, even that very club patrolled the TOBACCO WAREHOUSE reets in the solemn duty of preservi sace. They shot no one. The trooper General Rousseau visited the spot, bu eneral Ronsseau went to their club oar, and was received with sail dignits There is nothing so mortifying, so ag- by the brothers drawn around the nurdered companion. No word of yenreance was spoken. Even then the poor a courtesy or kiminess, such blacks who did the deed were excused The members of the club had no other peace, and they did it. The injury and The last of the salamity we endure. There are errors in plying that that body of men had been insult of the Courier's remark is in imfinancial management, errors in legisla-disorderly, and would be so, but for the military force displayed by General Wherever we look, whatever branch of Roussean, whereas they never were disgovernment we investigate, there are orderly, and General Rousseau never confessed errors, wrongs to be righted, used force to compel them to keep order. The merit of General Rousseau i But at the bottom of all these, and the when he saw the order preserved by the cause of all these, is the distrust by the sitizens, he had the courage and sense t section in power of the section of at say no military interference is needed

~ We are all disposed to put the best yet, at the best, there is much to disand statesmen, they might rule a willing hearten and discourage. No man can look at the co freedmen's bureau are, in violation of contemplate that the Northern people natural rights and chartered liberties, if have deliberately resolved that it shall continue, with any other feeling than

mutry might endure them and prosper, that Grant will prove true to himself, Bad as corrupt laws and corrupt judges and with the feelings we have, we cannot say to the people it is a substantial hope promote kindly sentiments and mutual on which to found contidence. We can only say it is all. The destiny of the country, the protection from horrid rapes, murders and arson, the safety he innocent and helpless, all rest on the hance that a man surrounded and most ed in a very citadel of preindice, and cut off from all possibility of impartial judgent, will in somehow learn the truth and believe it, and act upon it. These ontingencles are more than one. First. that he will rise above the party that has chosen him; second, that when he does o, he will be permitted by his partisans to hear true evidence at all, and when heard, will he be sufficiently unpreju

THE LAST INDIAN HOMANCE.

Infortunate Case of Analgomation with a Christian Race of the Cristian Race of the Crist

The vecoman hard a daughter, a tember young general and seeing this fine, straight, lange-leved stranger familiarly in the family, the first panic began in her family, the first panic began in her family, the first panic began in her family the subject, "It is along ways to go in marrativo—but she became the mother of a young brave—and great was the outery.

The interner said he was a "tolabul fair viviizar," but dulut want his own familiar papernties to pack off to Onondaga and take to settle traps for mask-rats, or he medicine traps for mask-rats, or he medicine forms.

It is along ways to go in marrativo—but she was the outery.

The interner said he was a "tolabul fair viviizar," but dulut want his own familiar papernties to pack off to Onondaga and take to settle that he big brothers of the countil personal traps of the want familiar papernties to pack off to Onondaga and take to the termer's daughter. This and cloud anything wrong, proposes to make first the restriction on the spot, and delegated his chief that he shool ready to marry the farmer's daughter. This marry the farmer's daughter. This was about to do the same, when the marry the farmer's daughter. This marry the farmer's daughter. This marry the farmer's daughter, the want keep laday."

The parents bastemed to say that the young brave should be a supplied to the same was a studied and the want keep laday."

The parents bastemed to say that the young brave should be a supplied to the same was a supplied and the want keep laday."

The parents bastemed to say that the young brave should be a supplied to the same was a supplied said. "In the control of laid, the control of laid, the data no Christian to hat poor lady told; thank you?"

And lack to the tribe in thousted the parents and churches and public biniday. In the said of the said

Frank.

Fire lovely ferry giri was accordingly leed under the tuition of mlady, at loss house Captain Flower occasionally did her, and where he marked from it to time, with all the enthusiasus of ommitte lover, her progress in varispolite necomplishments.

Fixabeth Ridge remained in this situonabent three years, when the efflux time, as well as some domestic occurrers, without Captain Flower to reapor reward of his constancy and honor reward of his constancy and honor.

become more utiligent and more admired. By the Viscount she had several and some and daughters.

Astronge Stary.

**From the Lymburg Va. Republican. cet.2:

A young man, who gave his amme as Edward Reliancy Rating ready the supper, for Jamie all would occupy the whole day, but it would occupy the whole day, but it would occupy the whole day, but it would never that, with a hard day's work, an early breaktast, and only a lines at moon, he should eat heartily at night, and having missed connection with the Framessee ruin, was embled to deal and in the fewer and then Lyanger and the same stary that a moon, he should eat heartily at night, and having missed connection with the Framessee ruin, was embled to deal and an early breaktast, and only a lines at moon, he should eat heartily at night, and having missed counceston with the Framessee ruin, was embled to deal and a seat together, but would occupy the whole day, but it was it would occupy the whole day, but it would occupy the

his arrest."
"What do you mean by that?" I asked, angrily. "Surely you're joking, Mr. Keating! You certainly wouldn't earry Januic to jail! You know he's never done any evil deed!"
"It's a said duty," answered the constable, "but arrest him I must, if he's in this house."

throubles me,"

Then he rose from the table, and, putting on his hat, he started to the factory where he worked. He took up the tin pail in which I always placed his lunch, but he did it as if by habit; nor did his stop to inquire, as was his custom, what it contained.

I fell worried all day some trouble on your way?"

"I believe you, Rilev, and I will defend you. Now tell me where you were last Sunday night?"

"Well," answered Junic, "I spent the evening at a friend's house in the northern part of the village. I returned home between eleven and twelve o'clock."

"And passed the I'resbyterian church on your way?" felt worried all day. Some trouble on your way?"

I felt worried all day. Some trouble of 'I did,' replied J unic.

"I did,' replied J unic.
"Did you see any on it

seemed hinging over us, but what it was I couldn't guess.
In the afternoon Maggie Bryan came

I conidn't guess.
In the afternoon Maggie Bryan came in to see me. She was very hindy with the needle, and the folks who fived in the big house on the hill had sent for her to do some sewing. She was returning, and had called to tell me how kind the lady ladd been to her, and how much pay she had received for her work. Maggie sw in a moment that I was not In good spirits, and so she ceased her pleasant prattle and asked in a serious tone:
"Has anything bad happened, Mrs. Riley? You seem sorrowful to-day."
Then the lawyer set, and thought for a spirits, and so she ceased her pleasant prattle and asked in a serious tone:
"Has anything bad happened, Mrs. Riley? You seem sorrowful to-day."
"You have quarreled with Jamie—have you not, Maggie?"
"Nay, nay, Mrs. Riley," she answered to we him dearly."
And then the sweet girl blushed at her tow him dearly."
And then the sweet girl blushed at her tow him dearly."
And then the sweet girl blushed at her tow him dearly."
And then the sweet girl blushed at her tow him dearly."
And then the sweet girl blushed at her tow him dearly."
And then the sweet girl blushed at her tow him dearly."
And then the sweet girl blushed at her tow him dearly."
And then the sweet girl blushed at her tow him dearly."
And then the sweet girl blushed at her tow him dearly."
And then the sweet girl blushed at her tow him dearly. "A set anything had have to be food cheer; that he believed my son to be innocent, and hoped to clear him. Maggie Bryang grew paler and paler day by day, and it was little sieep that she got at nights. When the thoughtless villagers talked of Jamie's gnit, her tried account for Jamie's gnit, her tried account for Jamie's gnit, her to be a man and to leave a sea to the province of the count when the day came. Jamie was seaded near Jamie, and when I remembered the boy's stange-getlons, an awful fear grew upon me.

Maggie tried in valn to discover what disturbed me. She went away in a little intention of the fear grew upon me.

Maggie tried in valn to discover what its tried i
